

AUTHORIZED SERVICE CERTIFICATE

This certificate is hereby awarded to ADL COMPANY, officially recognizing them as an Authorized Service Provider for the installation, commissioning, maintenance, and technical support of Vira steam boiler control systems and related equipment.

The certificate is granted based on the successful completion of technical training, demonstrated competence in Vira product applications, and commitment to upholding Vira's quality and service standards.

As an authorized service provider, ADL COMPANY is entitled to represent Vira in the field, support end users with qualified service, and perform authorized interventions in accordance with Vira's guidelines and procedures.

This certificate is valid for a period of one (1) year starting from April 11, 2025, and will expire on April 11, 2026.
